In order to formalize their place, each of the pre-selected candidates who have expressly agreed to participate in the workshop must pay the registration fee, as described below, in the following point entitled "Workshop".

No further correspondence or communication will be entered into with unsuccessful applicants. Likewise, no information about the selection process or the other applications received will be provided.

Workshop

Successful candidates will be offered a place in the three-day workshop taught by Nicholas Nixon, which will take place from November 21 to 23, 2024, inclusive. Over those three days, the participants will share an intensive session with the artist Nicholas Nixon and will receive from Nixon personalized feedback on their work. By agreeing to participate, the selected candidates undertake to:

- Pay the registration fee, by credit card, of the amount of 150€ (ONE HUNDRED AND FIFTY EUROS). This payment can be made through the link that will be provided to the selected candidates once they have been notified of their participation in the workshop. From this notification, the selected candidates will have 5 working days to confirm their participation and make the payment. Once payment has been made, the candidate becomes a participant in the workshop. However, if after this period, the pre-selected candidate has not paid the corresponding registration fee, it is understood that they have withdrawn and Fundación MAPFRE may either award the vacant place to another candidate or leave it vacant.
- Attend the entire workshop, over the course of the three days, by participating in it, carrying out the proposed activities and taking part in the practical sessions, as well as in all the activities suggested by the artist teaching the workshop. Upon completion of the above, Fundación MAPFRE will issue a certificate evidencing participation in the workshop.
